

Artting About

Max Miller is a New York based painter who specialises in oil paintings of dogs and cats. His subjects often have colourful, kaleidoscopic backgrounds and are beautifully captured. Miller's work has been exhibited since 1978 and his collections can be found in such prestigious locations as New York's Metropolitan Museum of Art.

Keep on the Move!  **Road Refresher™**
the pet water bowl that never spills!

The Road Refresher is an ingenious **non-spill** pet water bowl that eliminates spills and reduces your pet's slobber by up to 90%. Ideal for home use and most forms of travel.

For the Home – stops spills from accidental kicks and reduces slobber by limiting the amount of water picked up at any one time. The clever design will keep long ears and beards out of the water.

On the Move – Road Refresher can be filled with water and then safely left within a car, 4WD, ute, boat or plane giving your pet access to fresh water whenever they want – yet none will spill during braking or turning.

Easy to clean and made from heat resistant toughened polypropylene. No need to re-train your pet. They will think they are drinking from their favorite bowl.

Holds 1.4 litres (54fl.oz)
Suitable for dogs of all sizes and breeds
Base diameter: 242mm x Height: 102mm

Available at www.thirstypets.com.au
or call 1300 997 092
info@thirstypets.com.au - Fax: 1300 997 094
Wholesale enquiries invited

Adopt me

I come with added benefits

Adopt a cat from a reputable shelter or pound and you'll receive much more than furry feline adoration.

I'll be microchipped, desexed, wormed & vet checked. I'll also be your furry alarm clock and a bed-warmer.

I'll always appreciate what you serve up to me and make your clothes look better with extra fur.

This is a community ad placed by Urban Animal. Your advertising & subscription support helps us highlight the plight of Sydney's homeless.
