## Only for Dogs with a Sense of Humour

The Humunga Stache is a shiny black toy is a ball on one end, and a giant cartoon moustache on the other. Dogs naturally pick up the ball which leaves the outrageously funny moustache sticking out!

## Fifi the Poodle is always invited for dinner

This cute little five-piece dinner set for little diners is a great addition to meal times. Made from melamine Fifi will bounce and not break.

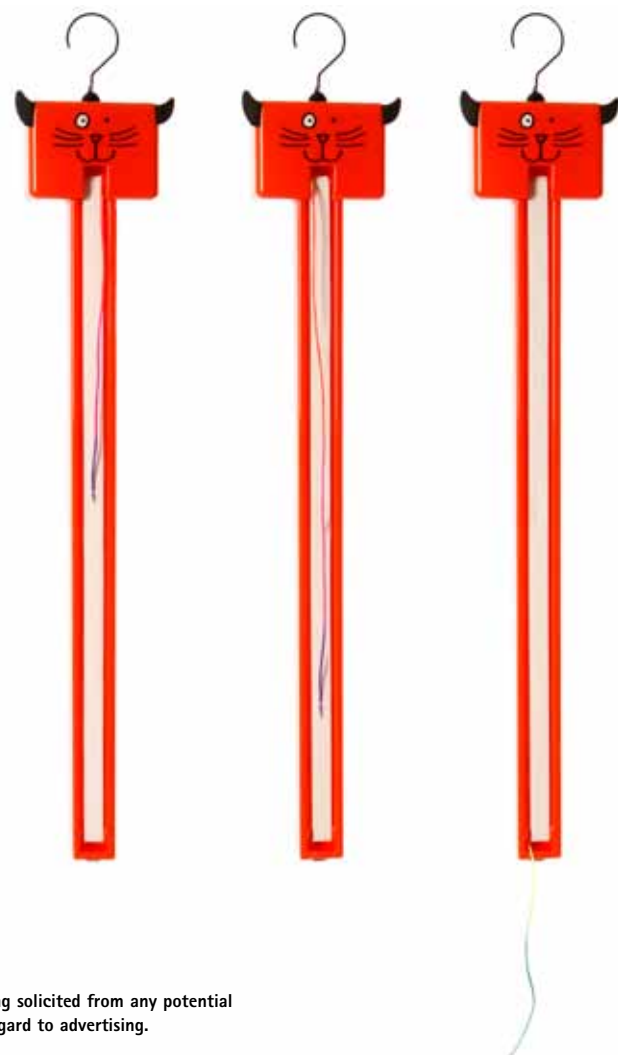

## It's only Natural

From the clean and green pastures of New Zealand comes K9 Natural, the 100% raw dog diet and treat range. Designed to 'feed your dog's inner wolf', this food is entirely raw and free from grains. Ingredients include meat, blood, ground bone, seasonal fruits and vegetables, heart, liver, kidney, green tripe, eggs, garlic and cod liver oil. Your dog will be howling for more!

## Exercise Kitty with the Fling-ama-String

The Fling-ama-String is a battery operated toy that will have your cat leaping for joy. Simply hang it on the door and turn it on. The Fling-ama-String will work on any standard doorknob. The Fling-ama-String has two speeds for maximum kitty fun. This toy entices even sedentary to play and improves eye-paw co-ordination.

## Remove nasty odours with Litter Box Discs

These discs are designed to sit next to indoor cat litter boxes to combat nasty odours. Contained in a fibre disc, these powerful, natural and safe essential oils counteract everyday odours including urine! Discs last between 14 to 30 days and are gentle to the environment.

## Bed-delicious with the Furlicious

The Furlicious Pet Bed is the ultimate Faux Fur. Soft to touch, yet incredibly durable, the Furlicious Bed keeps its amazing results even after repeated washing.

The Pet Bed is fully machine washable, tumble dryable, dust mite and flea resistant, and filled with Micro Cloud for ultra soft comfort. Furlicious carries a 3-year guarantee on all material and workmanship.

## Lula dog bowl is a howling great design

If you have a seriously pampered pooch in the family, you might just fancy picking up the Alessi Lula Dog Bowl by Mirriam Mirri. It's designed for small to medium-sized dogs and comes complete with a pick-up handle, a removable lid and stainless steel bowl ensures this design will keep its good looks.

## Go Green and Go Hemp

Planet Dog, makers of great toys, now release their range of enviro-friendly and durable collars and leads. Hemp leads come with fleece-lined handles for comfort at the other end of the leash.

## Backyard Odour Busters

Backyard Fresh is a high performance, safe, odour control solution for outside areas. Unlike air fresheners that mask odours temporarily, this unique chemical formulation provides long lasting relief using non-harmful and non-toxic ingredients that are environmentally friendly. Backyard Fresh can also be used in animal care centres, kennels, catteries, stables and other animal enclosures. Ready and easy to use, lightly spray Backyard Fresh onto or around the problem area for immediate, long lasting results.
